CERTIFICATION

I understand that it is my responsibility as the applicant for a building permit to provide the Garfield County Building Department with the proper documentation that I/we have a legal building lot in accordance with the Garfield County ordinances or proper city approval if my lot resides within the city limits.

I understand that my permit will be null and void if the property does not qualify as a legal building lot and I will forfeit all or part of the building permit fee.

No inspections will be provided until a building permit has been issued by the Garfield County Building Department.

I understand that the Garfield County Building Department will not issue a signed Final Inspection or a Certificate of Occupancy with uncorrected code violations.

I understand that the Garfield County Building Department will not inspect a building once it is occupied.

All questions about road maintenance will be directed to the Garfield County Engineer.
